VERIFICATION INFORMATION SHEET

Salem College uses the School Servicing Center to complete verification. As a result, you will be submitting information online to the School Servicing Center to complete this process. Until they are able to fully complete your verification, Salem will not be able to finalize any of your financial aid.

When will I receive this information?

The timing of when you will receive verification information will depend on whether you are currently enrolled or applying for admission. This timeline is using the assumption that we have already received your FAFSA and have been notified that you have been selected for verification. Please note: a student may get selected for verification after originally submitting their FAFSA.

- **Currently Enrolled Students** – You should receive information from the School Servicing Center within a couple weeks. You will receive your financial aid award after verification has been completed (and any other required documents have been submitted to the financial aid office).
- **Incoming Traditional Students (currently enrolled in high school or transfers)** – You will receive information from the School Servicing Center within a couple weeks of when you **confirm** your enrollment to attend Salem College. In the meantime, Salem College will provide you with an estimated financial aid award so you will have an idea of what you are eligible to receive. You will receive your official financial aid award after verification has been completed (and any other required documents have been submitted to the financial aid office).
- **Incoming Fler and Graduate Students** – You will receive your verification information within a couple weeks of **applying** for admission to Salem College. You will receive your financial aid award after verification has been completed (and any other required documents have been submitted to the financial aid office).

Some helpful tips from the School Servicing Center...

- The School Servicing Center (SSC) will send an email **to the email address you listed on your FAFSA**. The email will tell you what information you need to submit to complete the verification process.
- Watch for emails from verification@SSCwp.org or echosign@echosign.com with instructions on what you need to do to complete the process. You are only asked for information we need from you. Please follow the instructions carefully.
- You will complete most or all of your verification by using the online verification interview on the “Student” tab at https://www.sscwp.org/ivi/student/student_landing.htm. You may also upload any required documents online.
- Read the FAQ’s and Helpful Tips and Links about verification under the “Student” tab at https://www.sscwp.org/ivi/student/student_landing.htm if you have any questions.
- Use the data retrieval tool (DRT) to transfer your tax information from the IRS to the FAFSA if at all possible. This reduces verification processing time significantly. If you are **NOT** able to use the DRT then you should request a Tax Return Transcript at www.irs.gov/Individuals/Order-a-Transcript.
- You can track your verification status on https://www.sscwp.org/ivi/student/student_landing.htm. SSC will notify you when the process is complete.
- Sign up to receive text alerts messages from SSC to help track your verification status. Please remember that message and data rates may apply.
- Send an email to SSC at www.SSCwp.org/email if you have any questions.
- Finally, DON’T DELAY! The faster you respond to requests from SSC, the faster you complete verification and the faster your financial aid can be awarded.
